Welcome to the Learn & Grow Depot Child Development Center, a place where each child's individuality, creativity and curiosity is respected and encouraged. Your child will be given numerous opportunities to develop responsibility and a desire to care for others. Our purpose is to make each child's learning experience a positive one, full of hands-on learning opportunities in a safe and happy environment.

It is the philosophy of the Learn & Grow Depot Child Development Center that children are unique individuals who deserve a warm, secure environment that promotes a sense of wonder and discovery in learning.
