Director's News

Sunny Greetings,

Hope everyone had a great April. I would like to welcome a new staff member, Maddie Short. You will be seeing her in the preschool room. Mr. Lucas is no longer with us, as he decided to move on. Miss Deanna, in toddlers, is also no longer with us. We are sad to see them go, but wish them the best of luck in the future.

Please make sure you are signing your child in and out everyday. With the weather change, please make sure your child has extra clothing that is weather appropriate in their cubby's. Please bring in sunscreen and bug spray if you are wanting those to be applied to your child.

Have a great month!

~ Jenny Stuck

Pre-Kindergarten News

Congratulations to our six kiddos who will be graduating soon; Luke Martin, Viola McNutt, Will Pugh, Kennadi Sheffield, Elle Spohn and Raven Swisher. Where has the time gone? I remember having some of you when I was the T2 teacher. At any rate, I wish you the best and look forward to our summer together.

We will reviewing our academic skills and continuing to improve our social/emotional skills. Some of the older kiddos are learning sight words, and have started to read First Little Reader books. This is such an exciting time for them.

Please remember to have TWO sets of weather appropriate clothes. Also, they are growing so fast, please make sure they fit. Thank you for the family pictures. If we don't have yours, please consider bringing one. The kids are very proud of you, and love to share.

Happy Mother's Day to our momma's. You are your child's first teacher.
